Financial Planning

Robin specialises in individual insolvencies including IVAs and bankruptcies. He also advises on Creditor and Member Voluntary Liquidations.

Robin's straight talking approach and excellent negotiating skills make him the ideal choice for people facing a personal or professional "credit crunch".

Robin is also a General Practitioner and because he has run several of his own businesses, he is in a unique position to fully appreciate the problems facing SME owner-managers and his resulting advice is always pragmatic.

His practical nature and calming influence are well appreciated by his clients in both times of rapid growth and change, and crisis.

Robin is a Chartered Accountant and a Licensed Insolvency Practitioner.

Carter Backer Winter LLP

Areas of expertise

- Personal insolvency including IVAs
- Restructuring
- Voluntary liquidations and CVAs
- Debt negotiations
- Crisis management

Relevant experience

- Advised on the continuing development of a family owned business over multiple generations and through dramatic industry cycles. His advice included succession planning, inheritance tax, personal tax, business tax mitigation as well as the development of strategies to combat the drastic cyclical nature of their industry.
- Established a UK subsidiary for a US media company. Advised on the practical issues of setting up in the UK as well as advising the US parent and their financial advisors on managing rapid growth, tax and compliance issues. The subsidiary rapidly expanded into a £7m p.a. business.
- Currently assisting with the ongoing disposal (via MVLs) of the dormant subsidiaries being created as a major PLC continues its expansion

Experience, the difference

Carter Backer Winter LLP. Registered to carry on audit work and regulated for a range of investment business activities by the Institute of Chartered Accountants in England and Wales. Carter Backer Winter LLP is a member of MGI Business Solutions Worldwide.
